Rudiments of Music

We know that a number of members of the Section have not come forward to take part in the choir because they felt that their ability to read music and their knowledge of its rudiments were not sufficient for them to keep up with the more experienced members of the choir.

To remedy this, and also to help some members of the choir, we are holding a course on the rudiments of music on each Monday night from 6.15 to 6.40 p.m., commencing on September 28th, in the Day College, Spike House, and you need a pencil and notebook.

The tutors will be Miss Hyam and Miss Blood. No charge is being made. If you would like to attend, would you please let Miss Blood have your name.
(Miss Blood, LEO Programming, Ext. 1013).

Yours sincerely,
